## **Compromiso de Movilidad y Adecuación del Plan de Estudios del BICH-12 al BCH-11**

Los Centros Educativos de 12 grados con *Bachillerato Internacional en Ciencias y Humanidades (BICH)* nos comprometemos de forma individual a **establecer formal compromiso** con el/la joven alumno(a) que sea registrado en el décimo grado en el sentido de crear un plan para nivelar y/o adecuar su plan de estudios en caso de efectuarse un traslado a un Centro Educativo con Bachillerato en Ciencias y Humanidades de once años ya sea público o privado, así como para el/la joven alumno(a) de undécimo grado que por razones de fuerza mayor justificados no puedan continuar sus estudios en un Centro Educativo de 12 grados.

Cada escuela de forma individual se compromete a detallar este plan junto con información sobre los costos de dichos planes dentro de los contratos que cada parente, madre o responsable firman al momento de registrar y matricularle en el Centro Educativo

La preparación y adecuación de su situación personal deberá realizarse evitando que la/el joven no resulte afectado(a) al hacer el traslado a una institución cuyo plan de estudios sea BCH-11.

Para constancia, se firma la presente a los seis días del mes de agosto del año dos mil quince.
